The International Communist League is relaunching its magazine: *Women & Revolution*

Come to our relaunch event to discuss the perspectives for women's liberation and trans liberation in the current period. *Forward to an anti-imperialist internationalist women's movement!*

**Saturday, 8 March, 12h00**  
**The Forge**  
**87 De Korte Street,**  
**Braamfontein, Jo'burg**

**Anti-Imperialism &  
Women's Liberation**

Including an update and strategy session for the united-front campaign to Defend Xolani Khoza

Above: Women protest privatization of state-run oil company PEMEX, Mexico City, 2008. Placards read "PEMEX is not for
